2016 CSA New Member Application

Red Wiggler Community Farm would like to thank you for your interest in our CSA program, and your desire to join us for the 2016 growing season and the farm's 21st year! By becoming a member, you will not only be receiving fresh organic vegetables, you will be supporting our nonprofit mission – *to be a sustainable farm where people with and without developmental disabilities come together to work, learn and grow healthy food.*

Community Supported Agriculture (CSA) is a mutual commitment between a farm and a community of supporters that provides a direct link between the production and consumption of food. Supporters cover an integral part of a farm's yearly operating budget by purchasing a share of the season's harvest before it is grown. CSA members make a commitment to support the farm throughout the season. Members' payments help cover costs for seeds, water, equipment maintenance, labor, etc. In return, the farm commits to providing a consistent supply of high quality, certified organic vegetables each week throughout the growing season. At Red Wiggler, our goal is to grow and deliver a combination of vegetables, herbs, and flowers valued at \$34.50 each week, which is an additional 15% over what you paid. In the 20 years of Red Wiggler's CSA, we have always been able to fulfill this commitment to our CSA members. More information about our CSA partners and food distribution can be found in the 2016 CSA Handbook.

In 2016 we will offer 3 seasonal shares: Spring, Summer, and Fall

All Pick-ups are at Red Wiggler Community Farm at Ovid Hazen Wells Park 23400 Ridge Rd, Clarksburg MD 20871.

As always, we continue farming with an eye toward environmental stewardship, improving our on-the-job training activities for adults with developmental disabilities and offering quality service learning opportunities for area youth. Your participation in our CSA is a vital component to Red Wiggler Community Farm's mission. We hope that you'll join us in 2016 for our 21st growing season!

Many Thanks,
Red Wiggler Staff and Growers
