Science Class, Learning for Independence group, Scouts...)

If youth: Ages

Number of: Total Participants _____ Students _____ Teachers _____ Chaperones _____

You will be arriving by: Individual Cars _____ School Bus _____ Other _____

We strive to maintain an inclusive community on the farm for people with and without disabilities. In order to plan accordingly, please tell us about any needs your group members have that may affect their participation and experience on the farm. Feel free to send us an e-mail with more details than can fit below if needed.

Why is your group interested in RWCF? Are there any topics in particular you would like us to cover?

About Your Visit

Type of visit (please check one).

- Basic Tour, 45 minutes** *Suggested program fee: \$75 for up to 15 participants. **
Complete tour of the farm including the fields, greenhouse, beehives and solar house. Discussion of our mission, programs, sustainable farming practices and environmental stewardship. Appropriate for all ages.
- Sensory Exploration, 1 hour** *Suggested program fee: \$75 for up to 15 participants. **
Tour of the farm including the fields, greenhouse, beehives and solar house. Follow your senses through the field, tasting, smelling and observing along the way. Search for insects and pollinators. See up close what it takes to grow healthy and sustainable food. Take a trip to our Discovery Garden to seed, water or harvest.
- Seed to Harvest Educational Tour, 1.5 - 2 Hours** *Suggested program fee: \$125 for up to 15 participants. **
Complete tour of farm including the fields, greenhouse, beehives and solar house. Discussion of our mission, programs, sustainable farming practices and environmental stewardship. Opportunities to taste, smell and observe along the way. Cooking activity with produce from the fields. Appropriate for all ages.
- Service Visit, 2-5 hours** *Suggested program fee: \$50 for 9/10am-12pm, \$75 for 9/10am-2pm (with break for lunch)* Brief introduction to the farm followed by 2+ hours of service in our fields or greenhouse. Activities include harvesting, planting, weeding, general field maintenance. Appropriate for ages 12+, max group size is 12 participants.

** As a non-profit, the suggested program fee is an important part of how we cover administrative and staffing needs for your visit. However, no group will be turned away due to lack of funds. Those who pay the full suggested fee, or more, help to subsidize those groups that are unable to pay the entire amount. Fees can be paid via cash or check the day of or on our website (www.redwiggler.org/educationschool-visits/). Thank you for your understanding and support.*

Groups are scheduled Monday-Friday from 9:00am-2:00pm. Groups are welcome to bring a bagged lunch and eat with growers and staff from 12-1pm. You do not need to include this time in your request.

Date and Time

Interested in multiple visits? List a few possible dates here and write "multiple visits". We'll contact you to work out the specifics.
