## Red Wiggler Community Farm is hiring 2022 Seasonal Interns!

***No prior  
experience  
necessary!***

***10 week minimum-  
flexible dates***

### This position is for you if:

- « You feel a strong connection with others and want to build a diverse, equitable, and inclusive community.
- « You're ready to work side-by-side with team members of all abilities, learning the details of organic vegetable production.
- « You want hands-on experience to explore Care Farming, nonprofits, or disability services as a career path.
- « Your favorite subjects include eating, biology, environmental science, engineering, cooking, sustainable agriculture, agroecology, community outreach, farm education, or all of the above.
- « You bring curiosity and insightful questions with you every morning.
- « Your dream job allows you to be outdoors, using your hands to make the world a better place and nourish your community.

### The fine print:

#### We ask for:

10 weeks, scheduled in full weeks between April and November  
Monday - Friday, 8 AM until we finish (no later than 4 PM)  
Background check required

#### We offer:

Assistance w/ academic credit or service learning requirements  
\$116/week stipend & a full CSA share of our veggies!  
Seminars & training onsite; offsite farm tours if pandemic allows!

Please check out our website to learn more about our programs: [www.redwiggler.org](http://www.redwiggler.org). This is a field volunteer position, and requires working alongside participants growing, harvesting, and maintaining the fields every day.

Red Wiggler is committed to safely navigating the pandemic with our community. Everyone on farm must adhere to our safety protocols.

Email resume and cover letter to [volunteer@redwiggler.org](mailto:volunteer@redwiggler.org). These positions will start as soon as Apr 4<sup>th</sup>; applications will be reviewed on a rolling basis until all positions are filled.
